

GeM Model Tender – Solar Street Lighting Systems

Tender Reference: GEM-DEMO-002

Demo Status: This is a fictional tender document created for hackathon/MVP testing. It is not an actual GeM tender.

1. Scope of Procurement

250 integrated solar street-lighting systems for municipal roads.

2. Bidder Eligibility and Compliance Requirements

No.	Category	Mandatory requirement
1	GST	Bidder must have an active GST registration.
2	PAN / Income Tax	Valid PAN and current income-tax compliance required.
3	Startup India	DPIIT-recognized startups may claim eligible relaxations where permitted.
4	Make in India	Minimum local content of 60% is required.
5	Experience	At least 2 completed solar lighting supply/installation projects.
6	Turnover	Average annual turnover of at least INR 75 lakh during the previous 3 financial years.
7	OEM Authorization	OEM authorization or manufacturer certificate must be provided.
8	NSIC	Valid NSIC registration may be submitted where applicable.
9	Blacklist	Bidder must not be under debarment or blacklisting.

3. Bid Submission Documents

The bidder shall submit the required registration/compliance evidence, technical documents, declarations, experience proof and financial documents applicable to the requirements above.

4. Evaluation Note

The procurement officer will verify eligibility and supporting evidence. AI-based verification, if used, is advisory and does not replace the officer's final decision.
