7	OEM Authorization	Bidder states that OEM authorization is available.
8	EPFO / ESIC	Bidder declares statutory compliance.
9	Blacklist	Bidder declares that it is not blacklisted or debarred.

3. Bidder Declaration

The bidder certifies that the information supplied in this demo document is intended to represent its submitted compliance declarations. The procurement authority may independently verify the declarations against government/authorized records.

4. Demo Testing Note

This version intentionally contains one or more declarations that may conflict with the simulated portal record or omit a known issue. It is designed to test the AI cross-reference and inconsistency/flag detection.
